SHORT TENDER NOTICE No. 28/2025

Scaled tenders are invited from eligible ORSAC empaneled DGPS Survey Agencies for undertaking DGPS Survey for land requirement in respect of Up-Gradation of Rourkela Airport in Sundergarh District following Standard Procedure as specified in the tender document for execution of work. The details of events are mentioned below:

- | | |
|---|---------------------------|
| 1. Date of publication of tender notice | : 17.12.2025 |
| 2. Tender paper cost | : Rs 5,000.00 |
| 3. Estimated cost | : Rs 15.84 lakhs |
| 4. Last date of submission of bid documents | : 22.12.2025 |
| 5. Opening of Technical Bid | : 23.12.2025 at 11.30 A.M |
| 6. Opening of Financial Bid | : 23.12.2025 at 3.30 P.M |

Non-transferable tender documents relating to DGPS Survey for land requirement in respect of Up-Gradation of Rourkela Airport in Sundergarh District as stated above will be available from Office of the Odisha Space Applications Centre (ORSAC), Bhubaneswar on payment of Rupees mentioned as above towards cost of tender document. The tender document cost, which is non-refundable, is payable in shape of Demand Draft drawn on any Nationalized Bank having Branch at Bhubaneswar in favour of **Odisha Space Applications Centre, Bhubaneswar**. This tender notice can also be accessed through Internet in the ORSAC website: <http://orsac.odisha.gov.in> and bid document can be downloaded. The downloaded bid document can also be used provided it is accompanied with a Demand Draft towards cost of the tender document. Tenderers interested to receive tender documents by Registered Post should pay additional amount of Rs.200/- (Rupees two hundred) only. However, ORSAC will not be responsible for postal delays in delivery of the documents.

The Tenderers are required to furnish attested copies of GST Registration Certificate from the competent authority as applicable along with the tender document.

Conditional tender in any form will be out rightly rejected.

The deliverables as mentioned in the tender document, are to be delivered at ORSAC, Bhubaneswar.

The tenders should be submitted after due compliance with guidelines given in the tender document. Tenders submitted in incomplete form shall be rejected outright.

The tender papers will be available for sale in Office of the ORSAC between **11.00 A.M to 4.00 P.M.** on Odisha govt. official working days' till **22.12.2025**. The sealed tenders will be received through Registered Post/Speed Post and tender box placed at ORSAC **up to 5.00 P.M.** on **22.12.2025**. The tender will be opened at **11.30 A.M** on **23.12.2025** in the presence of the Tenderers or their authorized representatives, if any.

ORSAC reserves the right to cancel any or all tenders without assigning any reason thereof.

Terms & conditions

1. Tender received by post after the stipulated date and time mentioned above will not be considered.
2. The rates along with Tax components, if any, should be quoted clearly.
3. The following documents should be furnished with the Technical bid failing which the tender is liable for rejection.
 - a. Attested copy of valid ORSAC empaneled Certificate
 - b. Attested copy of valid PAN Card and GST Registration Certificates
 - c. DD/ original money receipt granted by ORSAC towards cost of tender paper.(The original Certificates shall be produced at the time of opening of tender, if required)
4. If the date of sale, receipt and opening of the tender as specified above happens to be holiday(s), then the process of sale, receipt and opening whatsoever will be shifted to immediate next working day at the same time and venue respectively without further notice. However, date of tender paper opening may be postponed as per the convenience of the authority by intimating all the concerned tenderers through notice affixing to Notice Board / website of ORSAC.
5. **The Tender papers should be well documented. Without proper indexing, page numbering & binding, the tender document will not be accepted and rejected out rightly.**
6. Evaluation will be made by QCBS method.
7. The successful Bidder has to submit an PBG as mentioned in the tender document and the amount is to be forfeited if the tenderer backs out from the offer acceptance of tender by the competent authority.
8. DGPS Survey for land requirement in respect of Up-Gradation of Rourkela Airport in Sundergarh District is to be undertaken as per guideline specified by ORSAC and in the presence of User Agency, if required.
09. The tender should be submitted as per the format attached at annexure.
10. The tenderers should file tender super scribing on the top of envelop/cover – **“Tender for DGPS Survey for land requirement for Up-Gradation of Rourkela Airport in Sundergarh District”**. There shall be two bid system, one is Technical Bid and the other is financial Bid. The Technical Bid shall contain covering all the technical details along with

tender paper cost.

The financial Bid shall be as per the **Annexure – A**.

11. Scope of work:

Primary Control Points (PCPs) are already established by ORSAC in the field area. These PCPs will be used for further survey of the proposed area. Location and coordinates of PCPs (Base points) should be obtained from ORSAC along with plan map of the proposed area.

Pillar positions, if any and GCPs for geo-referencing of cadastral maps will be considered as Secondary Control Point (SCP).

Field survey work is to be completed within seven days after receiving work order.

2. Method of Observation:

- (a) Static mode of observation: In case of static mode of observation, triangulation method shall be followed with respect to 2 known points as supplied by ORSAC and simultaneous observation for transfer of point (PCP) shall be for a minimum period of 4 hours (up to 50 km) and 8 hours (above 50 kms). The transferred point shall be used for survey of the area either by Fast static (minimum 15-minute observation) or RTK mode.
- (b) RTK mode of observation: If the primary control point is within a distance of 5 km, the secondary control points may be established through direct observation. Otherwise, a temporary primary control point shall be established in the lease area and then other secondary control points (pillar points) should be established.
- (c) CORS can also be used for carrying out the survey work.

3. Data Deliverables:

- (a) The vendor shall submit both processed data as well as raw data in RINEX format as may be applicable.
- (b) The collected DGPS (as observed in Static/RTK mode)/ETS data shall be the property of ORSAC and the same cannot be sold/shared without prior permission/consent of ORSAC.
- (c) The vendor shall collect the geo-coordinates in WGS-84 datum and UTM projection system of the respective zone.
- (d) Point of observation should be open to sky. The sky should be clear up to 15° Cut-off angle. There should not be any tower, transmission line, etc. nearby.
- (e) The geo coordinates of SCPs in latitude & longitude format shall be supplied up to 5 digits after decimal point
- (f) The right of acceptance or rejection of work/job will rest with ORSAC. In case of rejection re-

observation shall be made by the vendor.

4. **Volume of Work:** 375.5 acre consisting approximately 13 Cadastral sheets
5. **Time Period:** Vendor will complete the entire work within 30 days from the date of issue of work order. If the completion of the work is delayed due to any reasons, the same may be intimated to ORSAC with an approval note from the User Agency
6. **Admissible Rate:**
 - (a) For simultaneous observation for transfer of point (if required) through dual/multi frequency DGPS in Static mode, the rate is Rs.8900/- + GST per PCP.
 - (b) For observation through dual/multi frequency DGPS in RTK mode, the rate is Rs.3900/- + GST per SCP.
 - (c) For observation through DGPS in fast Static /PPK mode, the admissible rate is Rs.3000/- + GST per SCP.
 - (d) For observation through ETS, wherever required if any, the rate is Rs.124/- + GST per point. The firm shall not charge any fee for occupation of Known/ Base points.
7. **Laboratory work:**
 - (a) During verification of submitted DGPS/ETS observed data the vendor shall remain present in ORSAC's laboratory and post-point all the observed points (SCPs) on the digital cadastral sheets in ORSAC's laboratory.
 - (b) Vendor shall assist in the process of superimposition of proposed boundary layer on geo-referenced cadastral maps and facilitate the preparation of land schedule in consultation with **ORSAC and the User Agency.**
8. **BID EVALUATION-** The bids shall be evaluated based on combined **Quality and Cost Based Selection (QCBS)** method.
 - a. **Evaluation of Technical Bid** - The Bids submitted up to last date will be opened at ORSAC by the Chief Executive, ORSAC or any other officer(s) authorized by ORSAC, in the presence of such of those Bidders or their representatives who may choose to be present at the time of opening. The representatives of the Bidder are advised to carry a letter of authority from the bidders for attending the Bid opening.

The Evaluation Committee will check the submission of documents as per the criteria. The committee will evaluate the technical bids as per the "**Tech Score Criteria**" mentioned in the following table.

Evaluation shall be based on Bidder's similar past experience in similar type of **DGPS Survey and preparation of Land Schedule for minimum 10 nos. of projects in last two years with verification and authentication at ORSAC, availability of**

infrastructure & techno-managerial capacity. ORSAC may also seek written clarifications from the Bidder soon after the bids submitted by them, during the evaluation process. The primary function or clarifications in the evaluation process is to clarify ambiguities and uncertainties. if any, arising out of the evaluation of the bid documents.

SI No	Technical Score Criteria	Max Mark	Scoring Criteria
1	The Annual Average Turnover will be considered as per last three financial years. (FY 2024-25, 2023-24 & 2022-23). The financial statement should reflect turnover. Auditor certified turnover statement and net worth for FY 2024-25, FY 2023-24 & FY 2022-23 in original along with balance sheet and profit and loss account for the said Financial Years to be submitted.	20	i. Up to 02 Crore: 10 (Ten) Marks ii. 02 Crore to 05 Crore: 15 (Fifteen) Marks. iii. 05 Crore and Above: 20 (Twenty) Marks.
2	The bidders should have DGPS Survey & Geo-informatics professionals on regular payroll, valid ESI Numbers/ Group Insurance Certificate. Copy of EPF/ESI Registration/ Group Insurance Certificate with latest return listing personnel name to be submitted. Evaluation will be made as per Scoring criteria	20	For DGPS survey professional: i. Up to 05 Professionals: 10 (Ten Marks) ii. 06 To 10 Professionals: 15 (Fifteen) Marks iii. >10 Professionals: 20 (Twenty) Marks
3	Past similar experience in DGPS survey and land schedule preparation for Forest Diversion and CA proposal (completed minimum 10 projects in the last two years with verification and authentication at ORSAC)	40	i. 1- 5 Sq. Km: 20 marks, ii. 6-10 Sq. Km.: 30 marks, iii. More than 10 Sq. Km: 40 marks.
4	The Organization should have at least ISO 27001:2013 certification on	20	Producing Valid ISO Certificate= 20 Mark

	Information security and ISO 9001:2015 Quality Certification.		No Certificate=0 Mark
	Total Technical Marks / Scores	100	

The Bidder scoring a minimum of 70 marks out of 100 in the Technical Bid Evaluation process, shall be declared as the Technically Qualified Bidder. The Financial bids shall be opened only for the Technically Qualified Bidders.

Evaluation of Price Bid: The price bids shall be opened only for the Technically Qualified Bidders on the scheduled date as mentioned in the tender notice. The authorized representatives of the Technically Qualified Bidders may be present during the price bid opening process. The price bids shall be scrutinized for their conformity to the specified formats and signatures. The price bids not in specified format and/or not with signature of the authorized representatives shall be summarily rejected. Scrutiny and evaluation of the price bids shall be conducted as follows. In the event of difference between the price mentioned in figures and words, the price in words shall be considered valid and binding.

Only the Total Quoted Price in the Bid document including Tax component, submitted by the bidders will be considered for evaluation. There shall be no component-wise evaluation of the bids. No bid above the estimated cost shall be considered and shall be summarily rejected towards financial evaluation as a principle of budgetary constraint. Abnormally low quotes, 'below 80% of the estimated price' (EP-20%) shall be treated as unviable from quality and feasibility considerations and shall be summarily rejected.

The marks obtained by the bidders in the Financial Bid evaluation shall be considered as Financial Score (FS). The Financial Score of the other Technically Qualified Bidders shall be computed as per the following formula:

$$FS = 100 \times (F_{min}/F_b)$$

Where:

FS = Financial Score for the bidder under consideration

F_{min} = minimum price quoted by any bidder

F_b = price quoted by the bidder

The Technical Score (TS) and the Financial Score (FS) secured by each bidder shall be subjected to the Technical Weightage WT= 0.70 (the weight given to the technical proposal) and Financial Weightage WF = 0.30 (the weight given to the financial proposal).

The Combined Technical and Financial Score (S) for the bidder (s) shall be computed as per the

following formula.

$$S = (TS \times 0.7) + (FS \times 0.3)$$

where S – Final Score, TS – Technical Score and
FS – Financial Score

- 09. Performance Bank Guarantee:** The selected Bidder shall be required to submit a Performance Bank Guarantee for an amount equal to 10% of contract value which will valid for 3 months in excess of the working period. The Performance Bank Guarantee shall be held free of interest as security for due performance as per obligations under the contract. The Performance Bank Guarantee shall be released after successful completion of the Performance Period.
- 10. Liquidated Damages:** In case the selected Bidder fails to attain completion of the work within the scheduled time for Completion or any extension thereof due to reasons attributable to the selected bidder, ORSAC shall recover the amount of Liquidated Damages, by making deductions from the selected bidder's account or by encashment of Bank Guarantees at the rate of 0.5% of the Contract Price plus escalation, if any, excluding taxes and duties per month of delay up to a maximum of 5% of the Contract value, excluding taxes and duties. However, the payment of liquidated damages shall not in any way relieve the selected Bidder from any of its obligations to complete the Work or from any other obligations and liabilities of the Consultant under the Contract.
- 11. Insurance & Liability:** The selected Bidder shall, at his own expense, arrange appropriate comprehensive insurance to cover all risks assumed by the vendor under this contract in respect of its personnel and equipment deployed under this contract. ORSAC shall not be liable for any incident relating to any damage to the machines/ persons involved during the survey/work.
- 12. Payment Terms and Condition:** *All payments shall be made by ORSAC in favor of the Bidder on successful completion of DGPS survey report and submission of relevant deliverables after QA/QC, undertaken by ORSAC.*
- 13.** In case of any dispute between the Tenderers and ORSAC regarding interpretation of Tender Document conditions, the decision of the Chief Executive, ORSAC shall be final and binding.
- 14.** The undersigned reserves the right to reject any or all the tenders without assigning any reason thereof. Any dispute in this matter will be settled up within Bhubaneswar jurisdiction.
